## Principal's Message

Dear Parents,

September is a month we celebrate Staff Appreciation Day. We would like to thank our team of dedicated teaching and non-teaching staff who have worked tirelessly, ensuring that the students are learning and the learning environment is conducive amidst Covid-19 challenges.

Our teachers play a big role in guiding and developing our children to be future-ready leaders of our nation. We want to thank our teachers for being the catalysts who lead, care and inspire our students to achieve their potential. 32 of our teachers have received nominations for the President Award for Teachers and the Outstanding Youth in Education Award. We have also received many appreciation notes on <https://ThankYouCher.edu.sg>. Your messages are tagged to an interactive map, which you can also use to explore and be inspired by other stories of our educators. Thank you for taking time to pen down your affirmation and appreciation to our teachers.

Besides our teaching staff, I would also like to thank the committed team of support staff who worked extra hard, ensuring that the high-touched surfaces are cleaned, monitoring that there is sufficient hand sanitisers and paper towels in the school.

In Term 3, we continued to emphasise on the importance of safety and well-being for our children who have mostly adjusted well to the safe management measures. Several of our major school events have been postponed while others have taken on modified formats such as going online to comply with prevailing MOE and MOH guidelines. We are glad to see that the children have adapted well and are practising good personal hygiene with patience and perseverance.

As the September holiday approaches, we wish everyone good health and a well-deserved break. Stay safe and spend quality time with your loved ones. Together, we will overcome and emerge stronger than ever!

Yours sincerely,  
Mdm Lim Sheue Tyug  
Vice-Principal

What's  
Up?!

## National Day Celebration 2020

On 7 August, we conducted an e-celebration for National Day. An e-assembly programme was put up via Zoom to demonstrate the meaning of embracing change and the new norm amidst this unprecedented time. We had performances by our very own students and fun quizzes as well as a segment where students had the opportunity to sing to their hearts' content with their classmates. Prior to the e-celebration, our students applied their creativity to design 'Our Heart For Singapore' cards for a time capsule project entitled 'Together a Stronger Singapore!' Happy 55<sup>th</sup> Birthday, Singapore!
